TEA 90% Rule:

In addition to compulsory attendance law, districts are required to enforce the 90 percent rule, which states that students in grades K-12 must attend class for 90 percent of the time it is offered to receive credit or a final grade. The 90 percent rule applies to all absences, including excused absences. If the student doesn't meet this requirement, an attendance committee may grant the student credit or a final grade, depending on the circumstances.
