Dear Calvert ISD Parents/Guardians,

We at Calvert ISD are closely monitoring the situation with COVID-19, as we can see the events are changing rapidly and daily. As we prepare for next week's closure, I wanted to reach out and inform the parents and community that we are thinking differently about how to provide instructional support to our students. Here are a few next steps that will get us through next week March 16 –March 20, 2020:

- Parents will be able to pickup an instructional packet for all students at W. D. Spigner from 8:00 a.m. -12:00 noon. We will also provide each parent with an instructional log for you to log any instructional time that you and your child spend learning together on Tuesday, March 17, 2020
- Calvert ISD will provide a host of Instructional materials and resources on the website for you to access as parents and students, Tuesday, March 17, 2020
- Calvert ISD will be providing a Grab and Go breakfast for all students and community members 18 years old and under; students must be present in order to receive breakfast and lunch. You may grab your breakfast and lunch at the W.D. Spigner parking lot from 10:00 a.m. – 12:00 noon on Tuesday, March 17 -Friday March 20, 2020

Thank you for your patience and as always please feel free to contact me with any questions.

Kind Regards,

Dr. Thyrun L. Hurst
