The TCMP/ESCs do not develop or provide instructional lessons, either acting alone or in collaboration with one or more Regional Centers.

Targeted Success with Quality Curriculum

Welcome to the TEKS Resource System. This site provides curriculum and assessment components aligned to the most current versions of the [State Board of Education-adopted TEKS](#) for the following subject areas:

- English Language Arts and Reading (grades K-12)
- Mathematics (grades K-12)
- Science (grades K-12)
- Social Studies (grades K-12)
- Spanish Language Arts and Reading (grades K-5)
- Spanish translated versions of Mathematics, Science, and Social Studies (grades K-5)

Each subscribing district utilizes the system differently. For questions about implementation in your child's school, please contact your local district.

After clicking the Parent Resources tab, parents may view the following TCMPC components by specific grade levels and content areas.

- Vertical Alignment
- TEKS Clarification
- Enhanced Clarification Document (Math K-8 only)
- Year at a Glance
- TEKS Verification
